SERIES GSW 10-45

INDUSTRIAL GENERATORS 1500 rpm
SOUNDPROOF 400/230V 50Hz

POWERED BY

- YANMAR PERKINS Engines diesel
- Water cooled
- MECCALTE Alternators
- Galvanized canopy with residential silencer
- Lifting point and able to be forked with pallet truck
- Complete with engine liquids and battery
- Manual oil drain pipe
- Manual panel MCP with 5 sockets
- KPR Leak proof tray (std ACP>30kVA)
- EFT Supplement larger fuel tank (>24h)

Manual panel MCP with 5 sockets
Standard Equipment

Larger fuel tank autonomy >24h
Supplements

MPF Manual panel MCP with additional instrumentation
Accessories ACP

Load transfer switch LTS panel
Accessories ACP
